# ***PRESIDENTS WELCOME***

Whether you've travelled near or far, with us in person or tuning in via our livestream, I want to extend a warm welcome to all of you joining us for the 2024 South Australian Dirt Kart Titles.

First and foremost, a big thanks to our amazing club, the Loxton Kart Club. It's been quite the journey, filled with challenges, but your dedication and hard work has been nothing short of inspiring. I'm proud and immensely grateful to have been a part of this journey with you. Every ounce of effort, hasn't gone unnoticed. Your commitment to our club has brought us to this moment, and for that, I thank each and every one of you.

To our main sponsor, Rival Chassis Co., and all our class and club sponsors, I want to express my heartfelt appreciation for your incredible generosity. Your support means the world to us. Like many clubs, the Loxton Kart Club always strives to support local businesses throughout the year. The sponsorship we receive in return from these businesses for our major events serves as a testament to their appreciation and support and it's truly remarkable to see the community rally behind our event.

To all the dedicated individuals within AIDKA, from the committees to the volunteers who fulfill various roles during race meetings, your hard work doesn't go unnoticed. Without your dedication, this sport wouldn't thrive as it does, and I want to express my sincere gratitude for all that you do

These title meetings are more than just races; they're opportunities to create lasting memories, forge new connections, and enjoy the camaraderie of the karting community. Please remember to respect your fellow competitors and everyone else involved, ensuring that everyone can make the most of this weekend. While the intensity of competition can sometimes overshadow the experience, let's not forget to enjoy ourselves and soak in the moment. There will always be more races, more titles, and more chances to shine beyond this weekend.

I genuinely hope that each and every one of you has a fantastic weekend here at the Loxton Kart Club. Let's make the next three days unforgettable. Have a blast!
